

The Blue Mantis
Cloud Service Provider
(CSP) team delivers
cost-optimized management
for over 200 top enterprise
IaaS and SaaS solutions.

Customers with their cloud
services under Blue Mantis
CSP management save on
average:

\$10,000
a day

\$300,000
a month

Blue Mantis saves our customers
millions of dollars on their annual
cloud costs – and we continue to
grow those savings for our
customers year-over-year.

2023

\$2.01
million

2024

\$3.94
million

Blue Mantis CSP
saved just one customer
\$1 million
on their AWS Cloud costs last year.

Find out how much **you** can save on your
annual cloud costs with Blue Mantis CSP.
